

# VIRTUAL COURSE ON **DISASTER MANAGEMENT**

A Field Level Perspective by National Experts

An Initiative of

**Administrative Staff College of India**  
Leadership through Learning

September 25th to 27th 2020

## Introduction:

Numerous states in India are currently under the effect of many disasters like torrential rains, flash floods, landslides, hurricanes, earthquakes, cyclones etc. affecting millions of people. Thus leading to great damage, loss of life, destruction of homes/properties and devastation at vast scale forcing people to leave their homes for safer ground. These vulnerable people are also at high risk of rapid spread of diseases in the post disaster phase. The unpredictable and recurrent nature of the Mother Nature's events and susceptibility of different regions to different issues makes it prudent to develop an effective disaster management plan. It becomes critical to train our staff in facilitating timely and effective relief and rehabilitation measures, aimed at minimising loss of life, reducing the trauma and loss suffered by the people. In this programme, we shall share some of the ground level experiences and nuances in managing disasters, for facilitating real time peer learning.

Dr. Hari Balaji VR  
Humanitarian and  
Development Professional

Dr. Mohan  
Public Health Specialist

Dr. Bhawna Gulati  
Associate Professor  
ASCI

## Course Objectives:

To share evolving and effective approaches including various field level nuances in four R's of the disaster management cycles (Risk Mitigation, response readiness, response execution, and recovery).

## Impact:

This programme shall help and provide direction to various agencies and their officials for prevention, mitigation and management of various disasters in an effective and efficient manner.

## Target Participants:

State and District Health officials, State and District officials of various government departments, National Health Mission Staff, Public health managers, Healthcare professionals and practitioners, academicians, students of hospital and health management.

## Duration:

September 25th to 27th 2020, 5 modules will be covered. Each module is of 1.5 hours duration, spread over 3 weekend days (Friday one session, Saturday and Sunday two sessions each).

Course Fees: Rs. 6000 + 18% GST = Rs. 7080/-
