

INDIVIDUAL EXCELLENCE FOR ORGANISATIONAL EFFECTIVENESS

Programme Overview

Organisational effectiveness depends largely on how well individual excellences resonate with the organisational Vision, Mission and Objectives. If the individuals, as leaders, fit as jewels in organisations, peak performance starts emerging. Journey towards excellence starts when the individual brilliance of leaders is synchronized with the effective teamwork in an organisation.

In a nutshell, the aim of the programmes is to help the participants discover strengths in them for further amplification and identify some areas for their self development, which in turn should contribute to organisational outcome.
