

PERSONAL EFFECTIVENESS

Programme Overview

The programme enables participants to gain awareness into the various personality attributes, which have a major role to play in superior job performance. It provides an opportunity to participants to develop their personality by gaining self-insight and getting feedback from others. It facilitates realisation of full potential, which will lead to improved organisational performance and personal effectiveness.

Impact

- ◆ Expands self understanding
- ◆ Helps stay motivated at work
- ◆ Facilitates effective communication at workplace
