Programme on  
**TECHNOLOGY IN GOVERNANCE:  
OPPORTUNITIES AND CHALLENGES IN AI ERA**  
(October 16-18, 2024)

Dear Sir / Madam,

**Subject:** Sponsorship Opportunity for “**Technology in Governance: Opportunities and Challenges in the AI Era**” Programme (October 16-18, 2024)

We hope this letter finds you well. We are writing to introduce the upcoming three day programme titled “Technology in Governance: Opportunities and Challenges in the AI Era,” which aims to explore the pivotal role of technology, including artificial intelligence (AI), in governance. It will delve into critical aspects such as public policy-making, sustainable development, and efficient citizen service delivery in the digital age. By participating in this programme, attendees will gain a comprehensive understanding of the opportunities and challenges that lie ahead.

**Program Objectives:**

1. **Understanding Technology and AI in Governance:** Participants will delve into the transformative impact of technology and AI on governance processes.
2. **Identifying Opportunities:** The programme will highlight technology’s immense potential in shaping public policies and driving sustainable development.
3. **Addressing Challenges:** Discussions will focus on overcoming implementation challenges related to technology adoption in governance.
4. **Learning from Best Practices:** Participants will have the opportunity to learn from the experiences of other premium institutions and experts in the field.

**Impact:** By attending this programme, participants will:

- Gain deeper insights into the role of technology and AI in governance.
- Be better equipped to leverage technological advancements while mitigating associated challenges.
- Network with fellow professionals and thought leaders.

Members of the the e-Governance project implementation teams including officials from Central, State, Departments of Information Technology, NISG, C-DAC, State e-Governance Societies, Chief Information Officers, and NGOs, as well as other relevant organisations interested in understanding and implementing technology in governance will significantly benefit from this programme.

We kindly request you to consider sponsoring this program. For further details and to discuss sponsorship options, please feel free to contact us at **harsh.sharma@asci.org.in** or call **+918886509295**.

Thank you for your attention, and we look forward to your positive response.

Sincerely,

**Harsh Sharma**

# TECHNOLOGY IN GOVERNANCE: OPPORTUNITIES AND CHALLENGES IN AI ERA

(October 16-18, 2024)

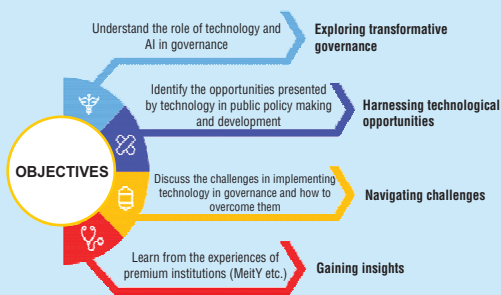

**Administrative Staff College of India**  
(accredited as उत्कृष्ट by Capacity Building Commission, GoI)

## PROGRAMME OVERVIEW

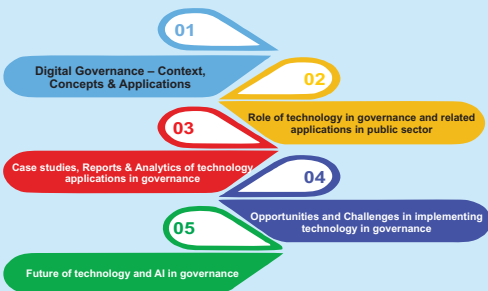

In today's world, the application of technology is the core of achieving good governance. In India, Digital India has already put the nation on the path of being 'paperless', 'faceless' and 'cashless' and now this has been coupled with an urgent need of being 'contact-less' too. With a clear vision, the government is pushing ahead the e-Governance initiatives for consolidated delivery of e-Services taking due cognisance of scope enhancement, process re-engineering, use of integrated & interoperable systems and deployment of emerging technologies.

With this backdrop, the training program aims to create an in-depth awareness the role of technology and AI in governance. The program will enable the participants to develop required competencies and aptitude to conceptualise and implement technology in decision making meaningfully.
