PROGRAMME OVERVIEW

Changes in climate conditions, technology, consumer preferences, regulatory mechanisms are pushing the organisations to adopt the green/sustainable/eco-friendly/ESG practices into their business operations and strategies. Sustainable business/green business, is an enterprise that has a minimal negative impact or potentially a positive effect on the global or local environment, community, society, or economy and a business that strives to meet the triple bottom line. Sustainable business implies shedding light on how business models can be designed both to reduce negative externalities and to increase positive externalities. Sustainable business models and strategies incorporate a triple bottom line approach and consider a wide range of stakeholder interests, including environment and society and those are essential in driving and implementing corporate innovation for sustainability, can help embed sustainability into business purpose and processes, and serve as a key driver of competitive advantage.

The programme provides the participants with detailed ideas, mindset to work on sustainable business plan, ESG management which will address the environmental, social, and economical aspects of business sustainability, organisational ESG metrics, climate goals and Net-Zero targets.

Administrative Staff College of India (ASCI) is taking all the precautionary measures and following all the norms (in light of COVID 19) to provide a safe environment for the participants who are visiting our Campus to attend the Training Programmes.

ABOUT ASCI

ASCI is the first Management Development Institution set up in the country at the instance of the Government of India and industry in 1956 to impart state-of-the-art management education for practicing managers, a legacy that we proudly take forward with a strong alumni of over 1,69,000. We are proud of our alumni which includes the leaders of Indian industry and senior Civil Servants in the government, public sector undertakings to be a part of this unique organisation. We are thankful to you all for the support extended in the past and look forward to your continuing patronage in 2024-25.

Also, ASCI conducts customized programmes for Government of India, State Governments, Public Sector, Private Sector and various international organisations. Our experienced faculty bring to the table a wealth of academic credentials, rich industry exposure and act as a catalyst in the classroom discussions, case study analyses and tutorials. Our faculty also conduct international programmes which provide an exposure to the global best practices. In addition to this, faculty at ASCI also carry out large number of management research activities (typically about 100 each year) which helps them provide the much needed value addition in the training programmes. In addition, we conduct non-residential programmes at our New Delhi Centre as well as off-campus programmes at the venue of the client's choice.
