Programme Director

July 31, 2024

Dear Sir/Madam,

Programme on
SUSTAINABLE PUBLIC PROCUREMENT
(November 20-22, 2024)

Sustainable procurement is more than a trend; it is a necessity for ensuring good governance and a thriving future for our planet!

With governments across the world spending 20% to 30% of their country's GDP on public procurement, incorporating sustainability into these processes can have a profound impact. Sustainable Public Procurement (SPP) involves **integrating environmental, social, and economic criteria into procurement** decisions, aiming to achieve value for money while minimizing negative impacts on society and the environment. By adopting SPP practices, public authorities can lead by example, contributing to broader sustainability goals and promoting responsible consumption and production. Building awareness and capacities, and bringing about attitudinal change is essential to make this transition successful.

In this backdrop, I am pleased to inform you that ASCI is conducting a 3-day training programme on **Sustainable Public Procurement** from **November 20 to 22, 2024**. This programme is designed to equip participants with the necessary knowledge and skills to integrate sustainability considerations into public procurement processes. Participants will explore the principles, strategies and best practices of SPP, enabling them to make informed decisions that support environmental and social sustainability while fulfilling their procurement needs.

We invite you to attend the programme and become a sustainability champion for your organization. We also request you to nominate your executives/officers involved in related functions for the programme. Please note that ASCI offers a **discount of 10%** to organizations nominating **3 or more participants**. A discount of 10% will also be given to all **women participants** attending the programme.

The programme brochure is attached herewith for your reference. Kindly ensure that your nominations reach us by **November 06, 2024**.

For further clarification or additional information, please feel free to get in touch with me. I may be reached at **rdp@asci.org.in** or on **(+91) 9503662190**.

Looking forward to the pleasure of hearing from you.

Yours Sincerely

Rutwik Phatak

ABOUT ASCI

ASCI is the first management development institution set up in the country at the instance of the Government of India and industry in 1956 to impart state-of-the-art management education for practicing managers. It has a rich legacy that we proudly take forward with a strong alumni of over 1,69,000. We are proud of our alumni which includes the leaders of Indian industry and senior Civil Servants in the government, public sector and various undertakings to be a part of this unique organisation. We are thankful to you all for the support extended in the past and look forward to your continuing patronage in 2024-25.

Also, ASCI conducts customized programmes for Government of India, State Governments, Public Sector and Private Sector and various international organisations. Our experienced faculty bring to the table a wealth of academic credentials, rich industry exposure and act as a catalyst in the classroom discussions, case studies, analyses and tutorials. Our faculty also conduct international programmes which provide an exposure to global best practices. In addition to this, faculty at ASCI also carry out large number of management research activities (typically about 100 each year) which helps them provide the much needed value addition in their training programmes. In addition, we conduct non-residential programmes at our New Delhi Centre as well as off-campus programmes at the venue of the client's choice.
